

Clayton Consultants Security Services

A Triple Canopy company, Clayton Consultants, is a unique security consultancy delivering corporate and private crisis management consulting services to clients across the globe. Clayton consultants are renowned security experts who together have successfully resolved more than a thousand confirmed kidnap-for-ransom and extortion cases. Our consultants live in various locations around the world and provide guidance based on their cultural understanding of the situation and years of experience operating in the field.

Ongoing Client Support

- Pre-incident security training to reduce risk, injury and loss.
- 24-hour telephone support to answer security questions and to address security concerns on an emergency basis.
- 24-hour response support to assist in the management of a crisis event. A professional consultant is often dispatched to the site.
